Arranging and Administration

The arrangement conference consultation with a licensed Funeral Director to gather all statistical/logistical and service related information and family requests. On average the funeral director will require 8 hours of communication and follow up with Doctor's/ Coroner, Clergy/Celebrant, Musicians, Crematorium/Cemetery and other related service providers.

Decedent Care and Casketing

Our licensed professional will assess post mortem conditions and restore your loved one's dignity by washing, disinfection, removal of medical implements; dressing and casketing the body.

Embalming includes the additional restoration, preservation, cosmetics and hairdressing that allows us to provide you with the best possible experience for viewing your loved one at the funeral home during visitation or private family Reflection.

Preparation Room

A private and secure room that is used for the shelter and preparation of the deceased until service time or date of disposition.

Facilities for Visitation

Comfortable climate controlled visitation suite; furnishings, audio visual and related equipment to facilitate your private family reflection and public visitation experience.

General and Service Areas of Funeral Home

Includes the provision and maintenance of equipment and public areas of the funeral home that facilitate arrangements, visitation and services, restrooms, Wi-Fi, multimedia services and equipment, private meeting areas, a lounge, coffee/tea service. Includes a designated receiving area for floral deliveries and general equipment required for offsite services.

Prepare and Filing

The preparation and gathering of all necessary information to complete documents required to permit a cremation or burial (including the time involved in retrieving documents related to the authority of the Coroner and registration of a death with Provincial Registrar General).
